

## PRODUCT INFO

# HEAVY DUTY SELF FEED BIT SET DW3-SET8

8<sub>PC</sub>

### DESCRIPTION

The DeWalt Heavy Duty Self-Feed Bit Set is a must-have for any woodworking enthusiast or professional. This comprehensive set includes a range of sizes, including 25mm, 28mm, 32mm, 38mm, 45mm, 54mm, 65mm and comes with a 140mm Hex Extension Bit, providing versatility for various drilling needs. With its optimized cutting angle and open tooth design, these bits offer exceptional durability and easy resharping, ensuring a longer bit life. The 11mm quick change shank allows for efficient material penetration, making rapid drilling of clean and accurate holes in hardwood, softwood, and wooden boards a breeze. Compatible with both corded and cordless drills, the threaded Pilot Point enhances accuracy by effortlessly guiding the bit through the material. Invest in this set for precision and durability in your woodworking projects.

*Comes with replacement pilot drills and allen keys.*
