

PRODUCT INFO

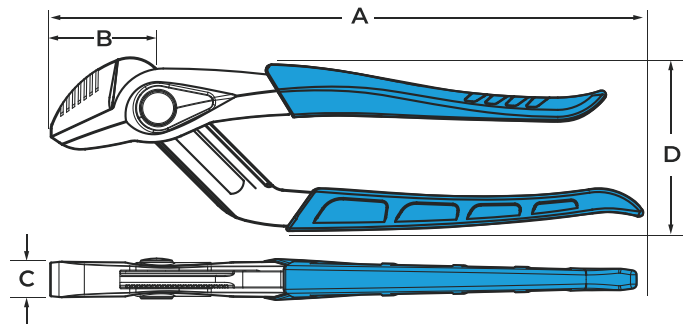

SPEEDGRIP™ TONGUE & GROOVE PLIER

CH428X

DESCRIPTION

Channellock SpeedGrip 428X Tongue & Groove Pliers make fast and easy non-slip adjustments so you can get the job done even quicker. Laser-hardened crosshatch teeth grip stronger and last longer thanks to innovative engineering. There is also a reaming feature for easy deburring of pipe. Finally, like all Channellock pliers, SpeedGrip 428X Tongue & Groove Pliers are made in the USA from high carbon U.S. steel for ultimate strength and have comfort handles with no-slip grips.

FEATURES

- Reaming feature for deburring pipes easily.
- Fast & easy non-slip adjustment locks in place.
- Channellock blue non-slip comfort grips for ultimate control.
- Strong, laser heat-treated crosshatch teeth grip 2.5X better than traditional Channellock 90-degree teeth.
