

PRODUCT INFO

STRAIGHT JAW TONGUE & GROOVE PLIERS WITH SCREWDRIVER SET CHGS-1SA

DESCRIPTION

Channellock Straight Jaw Tongue and Groove Pliers are built to last with a Permalock fastener to eliminate nut and bolt failure, patented reinforcing edge to minimize stress breakage and laser-hardened teeth to provide a better, longer lasting grip. Channellock Straight Jaw Tongue and Groove Pliers are made in USA and forged from high carbon steel that is specially coated for ultimate rust prevention. Combo also comes with a 2 'n' 1 Acetate Driver.

FEATURES

- The Original Straight Jaw Tongue and Groove Pliers provide a strong, versatile grip for use in both directions.
- Reliable Permalock fastener eliminates nut and bolt failure with increased joint strength.
- 90-degree, laser-hardened teeth for superior grip and longevity.
- Forged high carbon steel for maximum strength and durability is specially coated for ultimate rust prevention.
- Undercut tongue and groove won't slip.
- Channellock blue grips for comfort.
