

## PRODUCT INFO

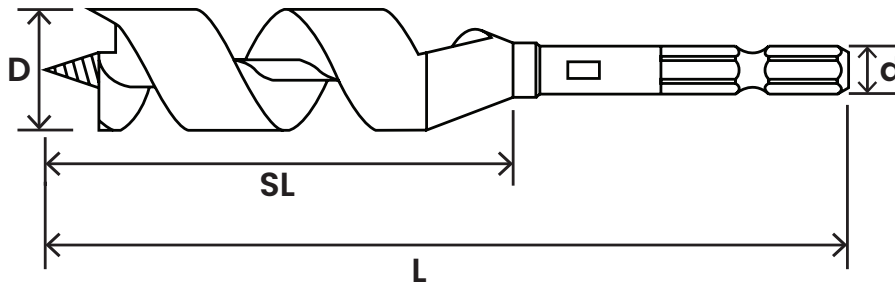

# SHORT COMBINATION AUGER BIT

## SM5-25

### DESCRIPTION

The STAR-M Short Combination Auger Bit is an ideal choice for shallow boring tasks, designed to simplify woodworking projects. Featuring a burr-free lead screw, it ensures rapid and precise starts while maintaining a smooth cutting experience. Crafted from high carbon steel, this auger bit guarantees durability and longevity, even when working with dense woods. To unleash its full potential, it is recommended to pair it with an electric power drill or a quick change impact driver with a power rating exceeding 14.4V. With the STAR-M Auger Bit in your toolbox, you'll effortlessly achieve clean and precise boreholes in wood, making your woodworking projects more efficient.
