SCREW & BOLT REMOVER SET

BOA17001

DESCRIPTION

The BOA Grabit is an ingenious range of screw and bolt extractors. They will relieve you from the difficulties faced by rusted and damaged screws and bolts. They will remove broken, damaged, or embedded screws and bolts from metal, wood, ceramic, in fact, just about any type of material. Made of high-quality hardened steel, this Boa screw and bolt extractor 2-piece set fits all standard variable speed drills and will cleanly and effortlessly remove a variety of screws, bolts, and fasteners. This set of screw extractors includes sizes #2 and #3. One end of the bit is for drilling a pilot hole and the other end has a reverse thread for extracting the broken component. 13 million sets sold worldwide - The Boa Grabit is the world's No 1 extractor product.
