

PRODUCT INFO

DRAIN CLEANING BRUSHES

MM5690 & MM1266

DESCRIPTION

These Bailey Drain Brushes have bristles made from polypropylene, making them ideal for cleaning drains, brick chimneys, flues, and coal-burning applications. These brushes have been fitted with a Lockfast joint, offering more security with the connection to the rod as the joint is secured with a locking nut. The connection can't come undone whichever way the rods are turned. For use with Bailey Blue Rods®. Brushes are available in two sizes: 100mm (MM5690) and 150mm (MM1266).

USE WITH

Bailey Blue Rods®
(MM1219, MM1222, MM1819,
MM1922)
