# WOODEN BROOM HANDLE

## RV2024

### DESCRIPTION

Crafted from durable wood, the Raven Replacement Broom Handle stands at a length of 1350mm with a comfortable 28mm diameter, offering a sturdy grip for effortless sweeping tasks. Designed as a compatible replacement for both the Raven Platform Broom (RV8122) and the Raven Yard Broom (RV8128), this handle ensures seamless continuity for Raven's renowned cleaning tools. Proudly made in New Zealand, it embodies quality craftsmanship and reliability, promising long-lasting performance for all your sweeping needs.
