

U.S. BLADE

PRODUCT INFO

UTILITY BLADE DISPENSER

USB120-01

DESCRIPTION

The U.S. Blade 100pc Utility Knife Dispenser Pack is a convenient solution for easy access to heavy-duty blades for cutting and trimming tasks. With a wall-mountable dispenser, users can safely store and retrieve blades as needed. The dispenser features a simple slide-out mechanism for quick blade retrieval and a top-loading disposal system for safe blade disposal. The removable knife holder adds versatility, while the compatibility with US BLADE Utility Knife and most standard utility knives ensures wide usability. Whether for industrial or home use, this dispenser pack offers reliability and convenience.
