

U.S. BLADE

PRODUCT INFO

SINGLE EDGE RAZOR BLADE

USB111-04

DESCRIPTION

The U.S. BLADE Single Edge Razor Blade is a versatile tool suitable for both industrial and home use. Its 0.2mm (0.009") thickness and size of 39mm x 19mm make it ideal for scraping and removing paint, vinyl, or other rigid materials. Designed to be used with the US BLADE Hand Scraper, this blade also fits all other razor blade tools. Sold in packs of 10, it's known as "The Pro's Choice" and proudly made in the USA, ensuring quality and durability for all your scraping needs.
