# CLEANING DRAIN ROD SET

## MM1222-SET

### DESCRIPTION

This Bailey Cleaning Drain Rod 13 piece set is perfect for the professional people such as builders, plumbers, chimney sweepers, and handymen who require their tools to be at hand on a regular basis. It's polypropylene rods with brass joints were made for unblocking drains and cleaning. The compact nature of this set allows them to be easily stored. Their quality reliability and strength ensure that the toughest jobs can be tackled. Each drain rod is 1200mm in length, therefore this set can reach up to 40 feet. Set includes 10 drain rods, a double worm screw, a plunger, and a drop scraper all supplied in a heavy duty blue carry bag.
