BIT HOLDER FOR DEWALT

BM-BHDWYLW2

DESCRIPTION

StealthMounts Bit Holders for Dewalt XR & Flexvolt are the perfect addition for your drill or impact driver. This bitholder keeps your bits together, organised and on your drill or impact driver. Our Dewalt XR & Flexvolt Bit Holders come in a pack of 2. Each magnetic bitholder can hold up to 5 bits allowing you to access your most common drill bits ensuring that you never lose track of them. The appropriate screw for mounting to most of your Dewalt XR & Flexvolt tools is provided. The magnet allows the bitholder to be mounted to the tool at different angles, extra screws can also be stored on the side of the magnet. Bits won't fall out even when the holder is mounted upside down. Made in Great Britain our Dewalt XR & Flexvolt Bit Holders are made with extremely durable injection moulded ABS plastic.

COMPATIBLE WITH
