

PRODUCT INFO

STEEL PIPE CUTTER

ZE6050-1

DESCRIPTION

The Steel Pipe Cutter is a durable solution for steel and stainless steel pipe cutting. Crafted with a forged steel body, it ensures robustness and longevity, while its alloy steel cutting wheel guarantees precise cuts. Engineered to handle pipes up to 7mm wall thickness, its spring system, supported by washers, enhances cutting efficiency and extends wheel lifespan. Featuring the innovative ICS (Instant Change System), it allows for tool-free blade replacement, streamlining operations for seamless productivity.

FEATURES

- For steel and stainless steel pipes.
- Forged steel body makes this pipe cutter very robust.
- Cutting wheel made of alloy steel.
- Designed for cutting pipes up to 7mm wall thickness.
- Spring system by washers for a better cut and a longer lasting of the wheels.
- ICS (Instant Change System). Instant blade change without the need for a tool.

USE WITH

ZE6002-0 Cutting Wheel

BARCODE: 8422514605014

CAPACITY: Ø 10-60mm (1/8"-2")

THICKNESS CAPACITY: 7mm

LENGTH: 385-455mm (Min-Max)

WIDTH: 103mm

DEPTH: 50mm

CUTS: Steel/Stainless Steel

BODY MATERIAL: Forged Steel

COLOUR: Yellow

WEIGHT: 2188g
