

## PRODUCT INFO

# UNI MATIC MEASURING TAPE

## FSTUM3M

### DESCRIPTION

The Fisco Uni Matic Measuring Tape is a handy tool for any DIY enthusiast or professional. Its compact size and ergonomic design allow for comfortable use, as it fits snugly into the palm of your hand. The smooth, rounded ABS case is ultrasonically welded, providing added strength and durability. The tape measure features a positive action side lock brake, making it easy to use and lock in place when needed. The blade is accurate to EC Class II and graduated in centimeters, with red block numbers every 10 centimeters for quick and easy reading. The blade is made of "Matt Coat" carbon spring steel, hardened, tempered, and concaved to enable long extension, while the polyester coating improves abrasive resistance. Additionally, the tape measure has an easy 55mm inside measurement for additions, a belt clip, and a self-zeroing end-hook, making it a reliable and versatile tool. Made in Britain.
