

PRODUCT INFO

CV DOWEL DRILL BITS

PG630 SERIES

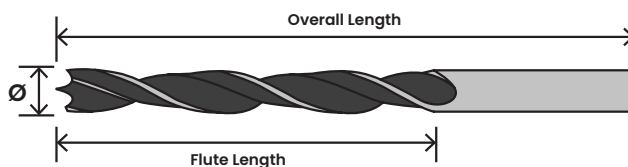

DESCRIPTION

PG Professional CV Dowel Drill Bits are indispensable for woodworking tasks, adeptly drilling through wood, plywood, chipboards, fibre boards, and coated boards. Crafted from robust Chrome Vanadium Steel, these bits guarantee durability and longevity. Their precision ensures a perfect fit for dowels, vital for robust joints. Featuring a center point, they facilitate precise marking of drilling positions. Compliant with DIN 7487 standards, these bits are reliable, accurate, and efficient for any woodworking project.

APPLICATION

Ideal for drilling wood, plywood, chipboards, fibre boards, and coated boards.
