

PRODUCT INFO
CLASSIC C-CLAMPS

DESCRIPTION

Explore our extensive range of light-duty C-clamps, the leading choice across America. These C-clamps boast a remarkable combination of quality and functionality. With their meticulously crafted, acme-threaded steel screws, zinc plated and coated with a black finish, they ensure enduring durability. The clamp casting is meticulously engineered from ductile iron, renowned for its strength, and then topped with a resilient powder-coated Pony-orange finish. Offering a diverse array of sizes and clamping forces, each clamp is equipped with a full-closing screw mechanism. Embrace the reliability and versatility of our comprehensive line of light-duty C-clamps.
