

PRODUCT INFO

CONTRACTOR GRADE MEASURING WHEEL

KSRR3M

DESCRIPTION

Over 20 years of continuous improvement – such as the new wheel design, kickstand and safety reflector! Extremely popular – tens of thousands sold every year. Heavy-duty, polycast wheel with improved, clean three-spoke design. 5-digit, easy-read, magnified counter measures 9,999.9 meters. The same outstanding features, benefits and reliability of our previous 2-piece handle version with the added convenience of our new 3-piece, pistol grip handle. The twist locks have been replaced with quick-snap cam locks. The new handle telescopes down to a more compact 23 inches for ease of transport and more compact storage.

FEATURES

- Easy-read magnified counter.
- 3pc pistol grip handle increases control and comfort.
- Quick snap cam locks to store and transport the wheel with minimal effort.
- Telescopes down to 23 inches cam locks make the unit simple to operate when preparing for storage or transportation.
- Flip-Down Kickstand keeps the wheel upright when you need your hands free to perform other tasks and stays out of the way as you measure.
- Safety Reflector
