SPLIT LEG TOOL APRON

TWWG314

DESCRIPTION

The BuildPro Split Leg Leather Tool Apron is handcrafted from premium, heavy-duty, extra thick leather for unmatched durability. It features a 50mm heavy-duty leather belt, and includes metal D-Rings for attaching shoulder braces for extra support. The apron boasts premium quality hardware, double stitching, and heavy-duty rivets to reinforce high-stress points. Its split leg design is ideal for tradesmen and DIY enthusiasts. With four large pockets, seven small pockets, a combination square holder, tape clip, nail bar holder, and an interchangeable metal hammer holder for left or right-handed use, this apron is built tough to withstand rigorous use.
