

## PRODUCT INFO

# V-GROOVE ROUTER BITS

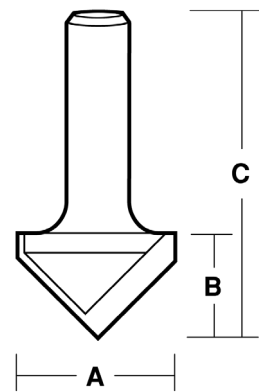

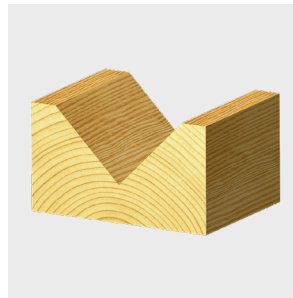

## EY112

### DESCRIPTION

The Econocut 90° V-Groove Bit is a highly efficient tool designed for a variety of tasks. With its two-flute design, it ensures a smooth cutting action, delivering precise and clean results. The carbide-tipped construction ensures long-lasting sharpness, superior finish, and cleaner cuts. This versatile bit is perfect for decorative carving, chamfering, sign lettering, and creating mitre joints for box fabrication. For the handyman and DIY enthusiasts.

### CUTS:
