

## PRODUCT INFO

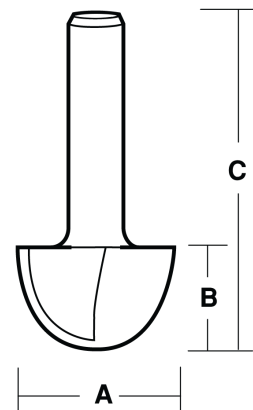

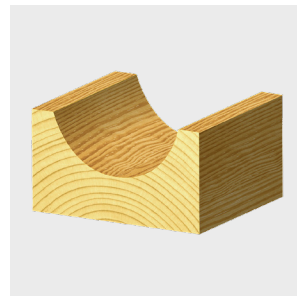

# CORE BOX ROUTER BITS

### DESCRIPTION

The Econocut Core Box Bit is an essential tool designed specifically for fluting flat surfaces like mantles and facades. This rounded bit is perfect for carving and creating intricate designs on drain-boards, servers, and tables. With its two-flute design, it offers a smoother cutting action, ensuring precision and accuracy in every project. The bit is carbide-tipped, guaranteeing long-lasting sharpness, a superior finish, and cleaner cuts. For the handyman and DIY enthusiasts.
