

PRODUCT INFO

POSI-GRIP™ XLT™ DIAGONAL CUTTING PLIER CH3238

DESCRIPTION

The Channellock Posi-Grip™ XLT™ Diagonal Cutting Pliers embody innovation and strength, featuring Xtreme Leverage Technology (XLT™) that enhances performance while minimizing hand fatigue. With laser heat-treated cutting edges, these pliers offer superior durability and longer-lasting cutting power. The precision-machined knife and anvil style cutting edges guarantee perfect mating, ensuring exceptional performance and longevity. Crafted from forged high carbon steel, they provide ultimate strength for demanding tasks. The distinctive Channellock Blue® 1000V POSI-GRIP™ safety handle ensures a safe and secure grip. Made in the USA.
