

PRODUCT INFO

OFF-LINE DRIVER BIT HOLDER

GFB397

DESCRIPTION

The GFB Off-Line Driver Bit Holder features a swivel-head design, perfect for reaching awkward angles and tight spaces. Its added length enhances access in confined areas, while the lockable collar allows it to function as a straight-line bit holder. It securely holds 1/4" hex shank driver bits with a magnet and is specifically designed for use with impact drivers. Built to industrial standards, this bit holder is manufactured to the highest specifications for durability and reliability.

FEATURES

- Swivel-head design for accessing awkward angles.
- Extra length for tight spaces.
- Lockable collar for straight-line use.
- Securely holds 1/4" hex shank bits with a magnet.
- Designed for impact drivers.
- Industrial tough, built to high specifications.
