# E-Z HOLD BAR CLAMPS

## LIGHT-DUTY

### DESCRIPTION

Introducing the Jorgensen E-Z HOLD Light-duty bar clamps, a groundbreaking innovation that enables effortless one-handed clamping. These versatile clamps go beyond traditional functionality by easily transforming into convenient spreader clamps. Featuring a contoured comfort grip and a quick-release lever, achieving a secure hold is incredibly easy. What sets these clamps apart is their exclusive patented feature, allowing you to connect two clamps together and double the opening capacity. With deep-reach pads ensuring optimal workpiece protection, these clamps are indispensable for any project. Moreover, their compact, hand-sized design makes them highly portable for convenient transportation. Experience the convenience and efficiency of Jorgensen E-Z HOLD Light-duty bar clamps today!
