

## PRODUCT INFO

# DRILL POWERED PUMP

## GFB68

### DESCRIPTION

The GFB Drill Powered Pump fits into a toolbox and can be used for boating, ponds and water features, cellars, water tanks, and camping. It is essential in emergencies and can even be used with any non-flammable liquid, including oil. Efficient and easy to use, the pump features a 1/4" (6mm) shank and is fast-acting and self-priming. It offers impressive pumping rates: 1300 liters per hour at a 1-meter depth, 1200 liters per hour at a 2-meter depth, and 1000 liters per hour at a 3-meter depth. This pump ensures you are prepared for any situation.
