PIPE AND SINK CLEANER

HA-P28

DESCRIPTION

This Bailey Pipe and Sink Cleaner is effective in the clearance of sinks, baths and shower wastes. This tool offers chemical free cleaning and is the ideal tool for unblocking drain blockages. Made from galvanised steel wire, this auger is durable, flexible and corrosion resistant. Featuring a handle on its end, it makes this tool simple to hold and easy to use. This pipe cleaner is 1.8 meters (6 foot) long, making it long enough to remove clogs and debris. This allowing for a smooth drain pipe flow. To use... insert screw end into drain pipe, start twisting in 1 direction, move cleaner back and forth until obstruction is removed.

FEATURES

- Effective in the clearance of sinks, baths and shower wastes.
- Can be stored conveniently under sinks.
- Galvanised steel ensures there is no breakage or corrosion.
- Safe alternative to harsh, unsafe and toxic chemicals.
- Simple to hold and easy to use.
