

## PRODUCT INFO

# CUTTING WHEEL FOR THIN METAL

## ZE6005-1

### DESCRIPTION

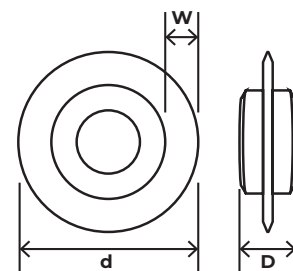

Introducing our Replacement Cutting Wheel for Thin Metal Pipe Cutters, designed for effortless precision. Compatible with ZE7325-1, ZE7330-1, and ZE7435-1 models, this alloy steel wheel boasts specialized cutting geometry for seamless performance. Crafted to slice through thin-walled metal pipes like aluminum and copper, it effortlessly handles up to 2mm wall thickness. Plus, with our ICS "Instant Change System," swapping out wheels is a breeze – no extra tools required. Streamline your cutting process with ease and efficiency.

### FEATURES

- Compatible with the ZE7325-1, ZE7330-1 and ZE7435-1 Thin-walled Metal Pipe Cutters.
- Made of alloy steel, with special cutting geometry.
- Designed for thin-walled metal pipes, such as aluminum and copper.
- Cuts up to 2mm wall thickness.
- Easy blade replacement with one-hand operation.
