

## PRODUCT INFO

# MULTI-HEAD WHALE TOOL PT6420

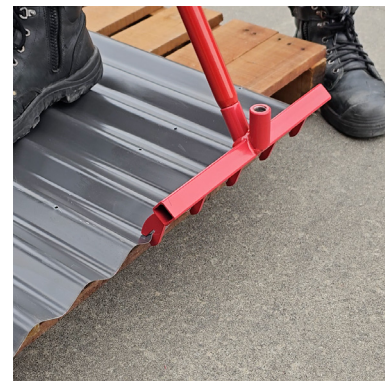

### DESCRIPTION

The Plumtool Multi-Head Whale Turn Up Tool is the ultimate solution for swift and efficient roof work. Designed to streamline the process, it effortlessly turns up the ends of corrugated sheets, saving both time and energy. With the capability to turn up five corrugations simultaneously and two turn-up operations per sheet, it maximizes productivity. Its two handle sockets accommodate various roof pitches, ensuring versatility. With a convenient 550mm handle included, this tool guarantees a seamless roofing experience, completing tasks swiftly and accurately.
