# HSS LONG DRILL BITS

## DR102X SERIES

### DESCRIPTION

Draper HSS Long Series Drill Bits are the epitome of precision and durability. Crafted from high-speed steel (HSS), these bits boast exceptional strength and heat resistance, ensuring they remain sharp and efficient even during the most demanding drilling tasks. With an extra-long design, they are tailored for substantial drilling depths, making them ideal for both professionals and DIY enthusiasts. Manufactured to meet DIN 340 and ISO 494 specifications, these bits undergo rigorous quality checks, guaranteeing consistent performance. Suitable for use with hand and power drills, they effortlessly tackle wood, metal, and plastic materials, making them an indispensable tool in any workshop or toolbox. Trust in Draper for reliability and precision in every bore.
