

## PRODUCT INFO

# COBRA® HIGH-TECH WATER PUMP PLIERS

## KP87 SERIES

### DESCRIPTION

The Knipex Cobra® High-Tech Water Pump Pliers redefine precision and efficiency in gripping technology. With a push-button adjustment for different workpiece sizes, these pliers ensure a snug fit. The fine adjustment and comfortable handle width enhance usability. Self-locking on pipes and nuts prevents slippage, requiring minimal handforce. Specially hardened teeth with a 61 HRC hardness offer high wear resistance. The box-joint design provides stability, and a reliable hinge bolt catch prevents unintended shifting. Crafted from chrome vanadium electric steel, forged, and multi-stage oil-hardened, these pliers combine durability with functionality. The pinch guard adds safety, preventing operators' fingers from being pinched.

SKU	BARCODE	DIMENSIONS	ADJUST. POSITIONS	NUT CAPACITY	PIPE CAPACITY	WEIGHT
KP87-125	4003773070856	125mm x 38mm x 14mm	13	27mm	Ø 27mm (1")	85g
