

PRODUCT INFO

POSI-GRIP™ LINESMANS PLIER CH3248

DESCRIPTION

Channellock Posi-Grip™ Linesman Pliers are designed for ultimate strength and performance. Featuring laser heat-treated cutting edges, these pliers ensure superior durability, lasting longer than standard alternatives. The precision-machined knife and anvil style cutting edges provide perfect mating, enhancing both efficiency and longevity. Crafted from forged high carbon steel, they deliver exceptional strength for tough tasks. The distinctive Channellock Blue® 1000V POSI-GRIP™ safety handle ensures a safe and secure grip, also making it easy to crimp and cut insulated and non-insulated solderless connections and terminals. 100% made in USA.
