

## PRODUCT INFO

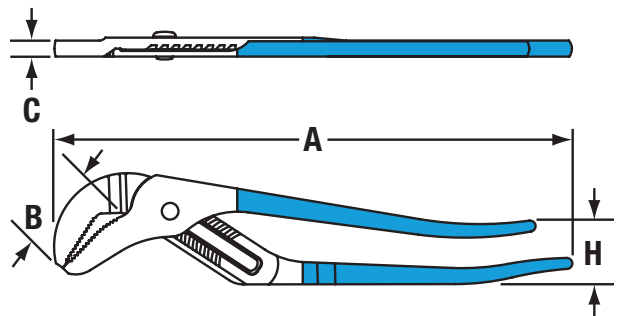

# STRAIGHT JAW TONGUE & GROOVE PLIERS SET

## CHGS-3

### DESCRIPTION

The Channellock Straight Jaw Tongue & Groove Pliers 3-piece set is an essential toolkit addition, perfect for both DIY enthusiasts and professionals. These durable pliers feature a Permalock fastener that prevents nut and bolt failure, while the patented reinforcing edge reduces the risk of stress breakage. The right-angle, laser-hardened teeth provide superior grip that lasts, and the undercut tongue and groove design ensures a secure hold without slipping. Made from high-carbon steel, they offer excellent performance and are coated for rust resistance. The signature Channellock blue grips ensure comfort during extended use. Ideal for any job around the house or garage.
