550mm HAND SAW - CLASSIC

GM328H22

DESCRIPTION

The G-MAN classic traditional 22-inch hand saw is a versatile tool designed for challenging cross-cutting tasks. With its high-quality construction, this saw is favored by professionals in various trades and DIY enthusiasts alike. The comfortable orange plastic handle, secured firmly with three screws, ensures a steady grip during usage. Its hardpoint finish enhances its durability, while the diamond ground teeth and hardpoint teeth contribute to prolonged lifespan and efficient cutting. Featuring the U7 universal toothing, this saw excels in both cutting and ripping, albeit only on push strokes. Proudly manufactured in Sweden.
