

## PRODUCT INFO

# 30M CHALK LINE

### ZE8192-1

### DESCRIPTION

This "Squid" Chalk Line is 30 meters in length and comes complete with a 60g bag of blue chalk. Magnesium Alloy die-cast body for durability and long life. This chalk line has a push system which allows for the line to be rapidly pulled out with no spin of the handle. It also features a hardened hook with bent tips so it can be nailed on edges. The hook is 100% integrated and stored into the tool. The line exit is protected with a steel-ring. Has been designed to a ergonomic shape with flat sides so you can lean the tool on the working surface. Also comes with a Inox Stainless Steel belt clip for easy storage. Suitable for all trades people and the serious DIY users.
