

PRODUCT INFO

# CARPENTERS PENCIL - HARD

## BP218H

### DESCRIPTION

Carpenters and joiners are skilled craftsmen who need specialist tools, right down to their pencils. Rexel Blackedge is an oblong-shaped graphite pencil that's perfect for the job in hand – which is why it's been a best seller for such a long time. Reliable, practical, and hard-working – just what you want in your toolbag!

### FEATURES

- Reliable and practical pencils for craftsmen such as carpenters, joiners, and builders.
- Comfortable grip for practical usage.
- Made from top-quality graphite and clay.
- Oblong shaped to run along rulers and straight edges with precision.
- Flat shaped to prevent rolling off materials.
