HI-VIS YARD BROOM

RV8122

DESCRIPTION

The Raven Yard Broom boasts a robust 355mm wide head with contractor-grade hi-vis orange bristles, ensuring visibility in bustling work environments. Its heavy-duty stiff filled bristles and industrial-strength bracket guarantee durability and stability, preventing handle loosening during vigorous use. Crafted in New Zealand, its sturdy wooden handle measuring 28mm x 1400mm provides a comfortable grip for general outdoor tasks. Ideal for a range of duties, this broom combines reliability with visibility for efficient outdoor cleaning operations.
