TORX DRIVER BITS

DESCRIPTION

The GFB Torx Screwdriver Bits (also known as Star Drive) are meticulously crafted for tradesmen and professionals, ensuring precision and durability. Manufactured from high-quality steel and tempered twice under intense heat, these Industrial Tough bits are exceptionally strong and long-lasting. Their magnetic feature enhances ease of use, securely gripping screws during intricate tasks. Torx, known for its star-shaped design, provides enhanced torque transfer and minimizes the risk of cam-out, making it ideal for applications requiring secure and precise fastening.
