

PRODUCT INFO

PLATFORM BROOM

RV8122

DESCRIPTION

The Raven Platform Broom boasts a formidable 610mm wide head, equipped with Java-Tech filled bristles renowned for their durability. Its industrial strength bracket ensures a secure handle fit, preventing loosening during rigorous use. Crafted with a sturdy wooden handle measuring 28mm x 1400mm, it's ideal for heavy-duty sweeping, maintaining pristine floors in factories, warehouses, schools, and beyond. Proudly crafted in New Zealand, this broom offers unmatched reliability for tackling the toughest cleaning tasks with ease.
