TRACK MOUNT

BM-OMTRMBLKLF2

DESCRIPTION

StealthMounts Track Saw Rail Mount is perfect for storing your guide rails in your vehicle or workshop safely. This 2-pack accessory will keep your Makita, Festool & Milwaukee tracks easily accessible and organised. Loading and unloading your tracks has never been easier. StealthMounts Track Saw Rail Mount allows versatility when mounting your tracks to garage doors, walls or overhead spaces transforming your workspace. This allows you to keep your Track Saw Rail Mount organised and easily accessible within your workshop. The rail mount can be mounted to any surface with screws without allowing excessive movement. StealthMounts Track Saw Rail Mount can be held vertically or horizontally. Made in Great Britain our Track Saw Rail Mount are made with extremely durable injection moulded ABS plastic with countersunk screw holes to allow for firm mounting.
