

PRODUCT INFO

GRIPLOCK® TONGUE & GROOVE PLIERS

DESCRIPTION

Channellock GripLock Pliers have an ergonomically designed offset head that provides more leverage. A special jaw design allows it to grip down on many shapes for added versatility. These pliers are built to last with a Permalock fastener to eliminate nut and bolt failure and laser-hardened teeth to provide a better, longer lasting grip. GripLock Pliers are made in USA and forged from high carbon U.S. steel that is specially coated for ultimate rust prevention.

- Special GripLock Jaw design and ergonomic offset head accommodates many shapes with greater leverage.
- Reliable Permalock fastener eliminates nut and bolt failure with increased joint strength.
- SAFE-T-STOP® prevents finger pinching.
- Strong laser-hardened teeth for superior grip and longevity.
- Rust-resistant, forged high-carbon U.S. steel.
- Channellock blue grips for comfort.
