SCREWDRIVER SET

DRSDSET10

10 PC

DESCRIPTION

The Draper Soft-Grip Screwdriver Set epitomizes expert quality with its 10 assorted screwdrivers, including 3 Phillips, 2 Pozi, 2 Square, and 3 Slotted types. Each screwdriver features a color-coded tip on the handle for easy identification, complemented by satin chrome plated SVCM blades and sand blasted tips for enhanced durability. The soft grip ergonomic handles are resistant to oil and solvents, ensuring a comfortable and secure grip during use. They also feature an anti-roll design, preventing the tools from rolling off any surface. Ideal for engineers and professionals alike, this set comes in a convenient PVC storage case, making it a versatile and indispensable addition to any toolkit.
