LONG POWER AUGER BITS

SM500 SERIES

The STAR-M Long Power Auger Bit is a top-choice tool for those seeking efficient and precise hole-boring in wood. With its burr-free lead screw, it ensures swift and accurate starts, reducing the chances of drifting off target. This auger bit is particularly ideal for tasks that demand deeper holes, as it maintains high precision and eliminates lateral vibration, ensuring clean and smooth cutting. Crafted from high carbon steel, it boasts durability and longevity. For optimal results, pair it with an electric power drill. When boring holes over 240mm deep is your requirement, the STAR-M Long Power Auger Bit is your dependable solution.
