

PRODUCT INFO

MAGNETIC BIT HOLDER

GFB25

DESCRIPTION

The GFB Magnetic Bit Holder is crafted to the highest specifications, ensuring durability and reliability. It features a strong magnetic hold and a circlip for added security, allowing for easy retention and swift changes of 1/4" hex shank driver bits. Extending your reach by approximately 50mm, this tool is ideal for accessing tight spaces. Made from premium stainless steel, it resists corrosion and wear. Designed specifically for use in impact drivers, the GFB Magnetic Bit Holder enhances your tool's performance, making it a versatile and essential addition to any toolkit.
