

PRODUCT INFO

PHILLIPS DRIVER BITS

DESCRIPTION

The GFB Phillips Screwdriver Bits are meticulously crafted for tradesmen and professionals, ensuring precision and durability. Manufactured from high-quality steel and tempered twice under intense heat, these Industrial Tough bits are exceptionally strong and long-lasting. Their magnetic feature enhances ease of use, securely gripping screws during intricate tasks. The Phillips design, with its cross-shaped indentation, facilitates improved torque application, minimizing slip and effectively driving screws into various materials with enhanced efficiency and reliability.
