

PRODUCT INFO

450mm HAND SAW - CLASSIC

GM328H18

DESCRIPTION

Introducing the G-MAN classic traditional 18-inch hand saw, a timeless tool designed for rugged and demanding cross-cutting tasks. Crafted to meet the highest quality standards for professionals and DIY enthusiasts alike, these saws are built to last. With a comfortable orange plastic handle secured by three screws, this saw offers a secure grip for precise control. The hardpoint finish ensures exceptional durability, while the diamond ground teeth and hardpoint teeth provide extended lifespan and swift cutting performance. Equipped with U7 universal toothing, this saw excels in both cutting and ripping tasks, making it ideal for a range of carpentry projects. Proudly manufactured in Sweden.
