# PIPE CUTTER

### ZE7435-1

### DESCRIPTION

Introducing the "Kompakt" Pipe Cutter, the ultimate solution for precise cutting of thin-walled metal pipes like aluminum and copper. Crafted with a cutting wheel of alloy steel and special geometry, it effortlessly slices through pipes with up to 2mm thickness. Its lightweight yet durable magnesium body ensures ease of handling, while the ergonomic knob guarantees comfort during operation. Featuring an innovative threading system on the steel socket, it eliminates any potential looseness. With extras like a spare cutting wheel and completely removable NOGA reamer, alongside the convenience of ICS for instant blade changes without tools, it sets a new standard in pipe cutting technology.
