# KING GONG SCRUB BRUSH

## RV8017

### DESCRIPTION

The Raven King Gong Scrub Brush is the go-to choice for commercial kitchens, dairy facilities, and the food industry. Its hygiene-grade bristles ensure thorough cleanliness, capable of withstanding boiling water. This durable brush includes a convenient scraper for tackling tough residues, while its floating design makes it easy to retrieve from water. With long, angled bristles adept at reaching tricky spots, it promises comprehensive cleaning. Proudly 100% New Zealand owned, it's a trusted essential for maintaining impeccable hygiene standards in professional environments.
