

## PRODUCT INFO

# RATCHET TIE DOWNS

### DESCRIPTION

GFB Ratchet Tie Downs offer heavy-duty reliability for securing loads with minimal effort. Designed to meet AS/NZS 4380.2001 standards, they are ideal for securing large loads. Equipped with Vinyl Coated 'S' Hooks, these tie-downs are versatile for various industries and domestic applications, including ute and truck trays, trailers, and roof racks. Made from high-strength nylon strapping, they are perfect for tradesmen, truck drivers, farmers, and handymen.
