

PRODUCT INFO

ALKALINE BATTERY C

PS-AKC2

BARCODE: 4984824089150

SIZE: C

MODEL: LR14

NOMINAL VOLTAGE: 1.5V

DIAMETER: 26.2mm

HEIGHT: 50mm

MASS: 64g

QUANTITY: 2 pack

PACKAGING DIMENSIONS: 92 x 112 x 26mm

PACKAGING WEIGHT: 136g

DESCRIPTION

Trust Panasonic to power your day and get the most from every moment. Alkaline batteries deliver four benefits: better performance, long endurance, excellent value, and class-leading safety. With High Energy Formula optimizing the power reaction, Anti-Leak Seal protecting your devices, and Special Tough Coating enhancing reliability, Panasonic Alkaline provides effortless energy with greater peace of mind.

FEATURES

- Long lasting advanced power.
- High Energy Formula ensures smooth discharge, extends storage life, and efficiently sustains power in high-drain devices.
- Unique Anti-Leak Seal Technology combines a refined structural design and a unique gas-suppressing formula to reduce chance of leakage when batteries are in use or in storage.
- Store batteries safely for up to 10 Years.
- Special Tough Coating is a nickel-iron alloy technology that maintains a smooth flow of power from battery to device.

APPLICATIONS

They are used in everyday small and portable electronic devices such as flashlights, wall-clocks, tv remote control, toys, portable radios, smoke alarms, digital cameras, etc.
