CLASSIC SPRING CLAMPS

DESCRIPTION

When you need instant, easy application and removal, turn to the proven durability of classic Pony spring clamps. Throughout the clamp's range of opening, the point of pressure always remains at the lightweight, zinc-plated steel jaw tips to ensure they'll hold it together exactly where you need them. Available poly-vinyl protected handles and jaw tips mean you can use them on metal, wood, plastic, fabric, and beyond. And their contoured handles won't dig into your hands.
