355mm HAND SAW MINI

GM301H14

DESCRIPTION

Introducing the G-MAN Hand Saw Mini, a professional mini saw for the toolbox, car, or the apartment. Equipped with R13 fleam toothing, its cross-sharpened teeth create sharp points, enabling smooth cuts across the grain. Thanks to their symmetrical design, these teeth excel in both push and pull strokes during sawing. Features very fine teeth for smooth sawing in number of materials. It boasts diamond ground teeth, hardpoint teeth for extended durability, and remarkable speed. Proudly manufactured in Sweden.
