PEX PIPE BAG

PT8008

DESCRIPTION

Introducing the Plumtool Pex Pipe Bag, a game-changer for plumbers tired of wrestling with tangled coils. Crafted from durable Rip Stop Vinyl, this bag safeguards pipes from cuts and abrasions while shielding coils from harmful UV rays. Its sturdy carry handle ensures effortless transportation, while the heavy-duty zip guarantees secure closure. Say goodbye to messy on-site or in-ute struggles—this bag is tailored to accommodate both 100m x 16mm and 50m x 20mm coils, offering convenience and protection in one sleek solution.

FEATURES

- No more messy tangled coils onsite or in the ute.
- Made from Rip Stop Vinyl.
- Protects pipe from cuts and abrasions.
- Protects coils from UV damage.
- Comes with sturdy carry handle.
- Comes with a heavy duty zip.
